

## Overview

Harima Special Needs School (Harima Tokubetsu-shien Gakko) is located in Tatsuno City, Hyogo Pref. The school is designed for physically & mentally-challenged students. Mentally challenged students live in the West area of Hyogo and commute daily. Physically-challenged students live in an onsite dormitory & travel home for weekends and holidays.

## School Motto

Independence

Friendship

Creation

## School Badge

Our school badge is composed of an H and a Y, the initials of the school's former name, Harima Yogo Gakkou.

*Isui*, clear water in the nearby Ibo River, and a stork are designed into the school badge as well.

It symbolizes young people who spread their wings and fly into the sky from our school, which stands near the Ibo River.
